

# \$250 off\* when you install a new gas space heater

Instant warmth

Efficient and cost effective

Add character and charm

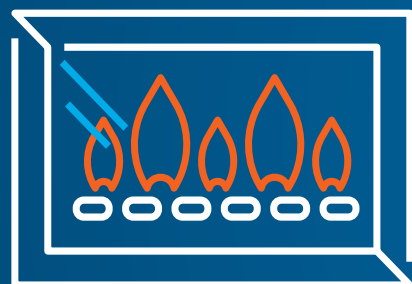

## General Campaign Terms:

- A limited number of natural gas space heater rebates are available to the first 600 valid claims in South Australia, where homeowners install new, not replacement, natural gas space heating in an existing home, on or after 1 March 2016;
- This offer applies to existing homes (including rental properties) and businesses. New builds are excluded;
- A limit of one space heater rebate is available per property;
- The \$250 space heater rebate is only available through participating suppliers; Australian Gas Networks does not reimburse customers direct. A list of participating suppliers is located on our website [maketheconnection.com.au/sa/promotions](http://maketheconnection.com.au/sa/promotions);
- Conversion of an existing LPG space heater to natural gas is eligible for a rebate.

## Exclusions:

- Natural gas to natural gas space heater replacements
- New home space heater installations
- Unflued gas space heaters

The sale and installation of appliances is not regulated by Australian Gas Networks and prices will vary between participating suppliers. It is recommended you obtain more than one quote.
