

\$750 off* when you install new gas central heating

Instant warmth

Efficient and cost effective

Like Summer all year round

General Campaign Terms:

- A limited number of natural gas central heating rebates are available to the first 1300 valid claims in South Australia, where homeowners install new, not replacement, natural gas central heating in an existing home, on or after 1 March 2016;
- Hydronic heating to multiple areas of the home will be eligible for a central heating rebate;
- This offer applies to existing homes (including rental properties) and businesses. New builds are excluded;
- A limit of one central heater rebate is available per property;
- The \$750 central heater rebate is only available through participating suppliers;
- Australian Gas Networks does not reimburse customers direct. A list of participating suppliers is located on our website www.maketheconnection.com.au/sa/promotions.

Exclusions:

- Natural gas to natural gas central heater replacements
- New home installations

The sale and installation of appliances is not regulated by Australian Gas Networks and prices will vary between participating suppliers. It is recommended you obtain more than one quote.
